In the United States District Court, Southern District of Texas, consolidated  
with No. 4:21-cv-272, *John Nicholas, et al. v. City of Houston, et al.***

Dear Judge Bennett:

This correspondence is sent on behalf of Houston Forensic Science Center, Inc. (HFSC), a non-party to this suit who has been subpoenaed by Plaintiff to produce documents, information or objects. In a previous correspondence to the Court dated May 27, 2021, and at the Court's instruction, HFSC provided a summary of records responsive to Plaintiff's subpoena issued April 26, 2021. After an *in camera* review by the Court, HFSC released the records to the parties, through Plaintiff. HFSC was further instructed by the Court, to withheld certain categories of information from initial release pending resolution of other matters before the Court.

To assist the Court in its review of additional discovery matters, attached hereto as **Exhibit A**, please find a description of the remaining responsive records in HFSC's possession, which have not been released to Plaintiff. Should the Court require any additional information or clarification, I will make myself available at the December 15, 2021 Status Hearing.
